

# Intake Primary School

Doncaster

## Case Study

## Brief

Intake Primary has the highest aspirations for all their children, celebrating achievements and recognising successes. They strive to create a positive, stimulating environment, where there is a real sense of belonging, where everyone is supported, empowered and challenged to achieve their potential.

The school library was beginning to look tired and in need of a revamp. The staff at the school had a clear vision for the new library, it needed to become an exciting, vibrant room where the children could spend more time discovering and reading books.

## Solution

FG Library & Learning worked closely with Intake Primary School staff and after an initial proposal and a few revisions, the school were in love with the design!

The design proposal featured a curved laminate section with a circular hideaway and feature archway. This was set perpendicular to StoryWall with the curve bringing the feature towards the entrance. The StoryWall featured shelving, two hideaways and decorative overhead panels. Some bespoke charging units were also incorporated into the design. 'Dream it! Believe it! Achieve it!' - were applied to the wall as applied vinyl graphics to remind the pupils of the school's inspirational motto. The tiered seating adds further interest and a defined reading corner, whilst flexible reading nooks were created with the coral seating and beanbags.

Decorating, new blinds and carpets were added by the school which complimented the furniture perfectly to create a modern, fun space for the pupils for years to come.

*'The pupils and staff at Intake Primary school Doncaster are absolutely thrilled to bits with the installation of their new library. With Andy Parker's help and inspirational design ideas, he helped create a learning environment that is beyond all our expectations. We would like to thank everyone at FG Library and Learning who played a part in making our dreams a reality. The service we have received has been second to none, and we would thoroughly recommend without hesitation FGLL to any school looking for an innovative, inspirational library design.'*

The logo for FG Library & Learning features the letters 'f' and 'g' in a large, bold, lowercase font. The 'f' is solid black, while the 'g' is white with a black outline. To the right of 'fg' are the words 'library' and '& learning' in a smaller, lowercase, sans-serif font. The entire logo is enclosed within a white, thick, curved line that forms an oval shape.
